

In addition to breakfast and lunch, students are able to purchase a la carte items, 2nd lunches, and other items as outlined below. If you wish to restrict purchases on these items, you may do so on your SchoolCafe account. (Please note that any item that is not prepackaged cannot be restricted as we cannot resell it once it is touched by a student.).

To set-up a SchoolCafe account, go to <https://www.schoolcafe.com/abrsd> choose "Create a New Account" and pick "I am a Parent". Once you create a parent account, you may then add your students to your account. You will need their Student IDs and Lunch ID/PINS which can be found in PowerSchool (<https://powerschool.abschools.org/public/>) on the "My Class Schedule" page for the HS and Elementary Schools and the "Team Assignment" Page for the Junior High School.
