

PREGNANT/PARENTING STUDENTS

Pregnant and parenting students have a right to equal educational opportunities and their rights are fully protected by a federal law known as Title IX. The Acton Public Schools and the Acton-Boxborough Regional School District encourage any students who may be pregnant or who are parenting a child to inform their school counselor, the school nurse, or another appropriate school official, who will assist them and who will help ensure that they have full access to the same academic and extracurricular programs available to all students.

Should a physician deem it inadvisable for a pregnant student to attend school for an extended period of time, all services granted to home bound students under School Committee policies shall be made available.
